IOSH Safety for Executives & Directors

IOSH Safety for Executives & Directors

IOSH Safety for Executives and Directors provides a thorough overview of the moral, legal and business case for proactive safety, health and risk management, strategic safety and health management, and its integration into holistic business management systems and procedures. This course ensures that Senior Management are fully aware of their joint and individual health and safety responsibilities in the day-to-day running of their organisation. IOSH Safety for Executives and Directors is designed for those who have overall operational or strategic accountability for an organisation across all industries and organisations.

Course Content

IOSH Safety for Executives and Directors covers the following topics:

- The moral, legal, and financial case
- PLAN - Planning for Health & Safety
- DO - Implementing Health & Safety
- CHECK - Monitoring Health & Safety Performance
- ACT - Improving Health & Safety Performance

Asessment

IOSH Safety for Executives and Directors is assessed by three actionable commitments intended to improve your own performance and the health and safety of your organisation.
