The Course

The NEBOSH Diploma is a prestigious and demanding professional qualification for those wanting to develop their career in Health and Safety. The National Diploma is now firmly established as the UK's leading qualification for health and safety professionals and it is expected that this International version will be recognised internationally as **the** standard for health and safety professionals.

Entry Requirements

The course assumes a broad basic knowledge of health and safety, which is provided by a qualification such as a NEBOSH Certificate. The Diploma is also assessed at the same standard as a Degree programme.

All persons seeking to enrol on this course will be expected to completed a detailed pre-course questionair to assess their suitability for the course

Assessment

Units A, B and C are examined by a written examination and Unit D by an assignment. You must successfully complete all four units to be awarded the NEBOSH International Diploma
