

CIEH Professional Trainer Certificate

This qualification is ideal for anyone who needs to understand the basics of training practice or wants to refine their training techniques. Trainers or potential trainers from any discipline will benefit from the programme as the qualification concentrates on the training process rather than specific training content.

Who Should Attend?

This course provides an opportunity to understand and practice a professional approach to training design and delivery. It is suitable for those who have never delivered training before and experienced trainers who want to improve their training skills.

Content

- Assessing training needs and setting smart objectives
- Recognising and accommodating different learning styles and preferences
- Selecting training methods to meet different needs
- Effective planning and preparation in the design of training sessions
- Using training and communication styles to make training more accessible and interesting
- Different ways of assessing the effectiveness of training
- Using feedback and evaluation to ensure a process of continuous improvement

Assessment

This course is assessed by means of an observed presentation.

Duration

Three days (21 Hours)

Course Fees

In-Company (UK)

£2,850 + VAT plus £25 per delegate at client's own premises

All delegates will be issued with a Workbook and successful delegates will be awarded the CIEH Professional Trainer Certificate.

This course can also be run outside of the UK and we also offer courses at our own training centre. Contact us for further details.

In-Company Training

RRC Training help you to create training solutions to suit your business' needs. We offer a broad spectrum of Health and Safety training, from NEBOSH, IOSH and CIEH accredited courses, to courses providing more generic health and safety skills.

Whether its an off the shelf course adapted to meet your requirements, or a bespoke course designed to meet your specific needs, RRC can deliver it anywhere in the world in the way most effective for your business.

Our *Diploma Bite* courses even allow your staff to build up Diploma-level knowledge topic by topic so they can learn about what's relevant to their role or industry without embarking on a full Diploma programme.

Professional Qualification Courses

- NEBOSH National General Certificate in Occupational Safety and Health
- NEBOSH National Certificate in Construction Safety and Health
- NEBOSH International General Certificate in Occupational Safety and Health
