

The Essentials of Fire Risk Assessment

This course has been designed for employers, managers, people in control of premises, and anyone with delegated responsibilities for fire safety and fire risk assessment.

It is intended to provide an understanding of the duties and responsibilities imposed by legislation, a simple fire risk assessment process, and a range of preventive and protective measures that will help to improve fire safety standards in all types of premises.

Who Should Attend?

This course is suitable for anyone in control of premises or who has responsibility for fire arrangements within their workplace

Aims

The aims of this course are to provide delegates with the knowledge and background information required to conduct a suitable and sufficient fire risk assessment, and to meet their legal obligations with regard to managing fire safety.

Content

- Requirements of the Regulatory Reform (Fire Safety) Order 2005
- Fire, and the causes of fire
- Fire prevention strategies
- The Fire Risk Assessment process
- Emergency evacuation procedures
- Maintaining the 'means of escape'
- Managing fire safety
- Additional sources of guidance and information

Duration

One day (7 Hours)

Course Fees

In-Company (UK)

£950 + VAT plus £25 per delegate at client's own premises

All delegates will be issued with an Essentials of Fire Risk Assessment Workbook and a Certificate of Attendance.

In-Company Training

RRC's training solutions enable you to create training solutions to suit your business' needs. We offer a broad spectrum of Health and Safety training, from NEBOSH/IOSH accredited courses, to courses providing more generic health and safety skills.

Whether its an off the shelf course adapted to meet your requirements, or a bespoke course designed to meet your specific needs, RRC can deliver it anywhere in the world in the way most effective for your business.

Our *Diploma Bite* courses even allow your staff to build up Diploma-level knowledge topic by topic so they can learn about what's relevant to their role or industry without embarking on a full Diploma programme.
