

# Fire Safety Awareness

This course has been designed for **all** personnel and is intended to provide delegates with a basic knowledge and understanding of simple workplace fire safety issues and actions to be taken in the event of a fire.

It is a requirement of the Regulatory Reform (Fire Safety) Order 2005 that all personnel are provided with adequate information and training on fire safety matters.

## Who Should Attend?

The course is suitable for all employees, including temporary workers.

## Aims

The aim of this course is to provide delegates with a basic knowledge and understanding of what actions to take in the event of a workplace fire.

## Content

- What is fire?
- The dangers of fire and smoke
- Identifying and reporting workplace fire hazards
- Reducing the risks by taking simple fire prevention measures
- Understanding and maintaining workplace fire precautions
- Fire fighting equipment
- Actions to be taken on discovering a fire
- Actions to be taken on hearing the fire alarm
- Emergency evacuation procedures
- Evacuating members of the public and visitors
- Special arrangements for people with mobility difficulties or sensory impairment

## Duration

Half day (4 Hours)

## Course Fees

### In-Company (UK)

£550 + VAT plus £25 per delegate

at client's own premises

Delegates will be issued with a Certificate of Attendance.

# In-Company Training

RRC's training solutions enable you to create training solutions to suit your business' needs. We offer a broad spectrum of Health and Safety training, from NEBOSH/IOSH accredited courses, to courses providing more generic health and safety skills.

Whether its an off the shelf course adapted to meet your requirements, or a bespoke course designed to meet your specific needs, RRC can deliver it anywhere in the world in the way most effective for your business.

Our *Diploma Bite* courses even allow your staff to build up Diploma-level knowledge topic by topic so they can learn about what's relevant to their role or industry without embarking on a full Diploma programme.

## Professional Qualification Courses

- NEBOSH National General Certificate in Occupational Safety and Health
- NEBOSH National Certificate in Construction Safety and Health
