

IOSH Working Safely

This course is designed to encourage employees to improve the safety culture within an organisation. It focuses on how individual actions contribute to health and safety in the workplace and provides an understanding of an individual's responsibilities.

Who Should Attend?

This course is suitable for all staff irrespective of their individual role or particular industry. The course can be delivered as part of an induction programme or as part of ongoing training.

Aims

The principal aims are to provide delegates with sufficient knowledge and information to allow them to discharge their individual responsibilities with respect to workplace health and safety.

Content

- Identifying hazards and risks in the workplace
- Accidents and their causes
- Legal rights and duties of employers and employees
- Identifying and controlling common hazards such as fire, electricity, chemicals and work equipment
- Investigating Accidents
- Measuring and reviewing performance

Duration

One day (7 Hours)

Course Fees

In-Company (UK)

£950 + VAT plus £25 per delegate at client's own premises

All delegates will be issued with a Workbook and a Certificate of Attendance.

This course can also be run outside of the UK and we also offer courses at our own training centre. Contact us for further details.

In-Company Training

RRC Training help you to create training solutions to suit your business' needs. We offer a broad spectrum of Health and Safety training, from NEBOSH, IOSH and CIEH accredited courses, to courses providing more generic health and safety skills.

Whether its an off the shelf course adapted to meet your requirements, or a bespoke course designed to meet your specific needs, RRC can deliver it anywhere in the world in the way most effective for your business.

Our *Diploma Bite* courses even allow your staff to build up Diploma-level knowledge topic by topic so they can learn about what's relevant to their role or industry without embarking on a full Diploma programme.

Professional Qualification Courses

- NEBOSH National General Certificate in Occupational Safety and Health
- NEBOSH National Certificate in Construction Safety and Health
- NEBOSH International General Certificate in Occupational Safety and Health
