

# Introduction to Health and Safety Law

## Who Should Attend?

This seminar will not turn you into a lawyer. It is designed for anyone who requires a basic understanding of the legal framework and principles as applied to health and safety.

## Content

- Sources and types of law and the burden of proof
- Outline of the court structure
- The H&S legislative framework
  - Role of the European Union – legal instruments and status; UK law in response to EC directives; role of the ECJ
  - UK legislative framework – Health and Safety at Work etc. Act 1974, regulations, ACoPs, guidance, concept of absolute and qualified duties
  - Enforcement – agencies, enforcement powers, offences, penalties, enforcement options
- Aspects of Civil liability
  - Tort of negligence – duty of care, defences
  - Breach of statutory Duty – defences
  - Contributory negligence
  - Concept of vicarious liability

## Duration

One day (7 Hours)

## Course Fees

### In-Company (UK)

£950 + VAT plus £25 per delegate at client's own premises

All delegates will be issued with a workbook and a Certificate of Attendance.

# In-Company Training

RRC Training help you to create training solutions to suit your business' needs. We offer a broad spectrum of Health and Safety training, from NEBOSH, IOSH and CIEH accredited courses, to courses providing more generic health and safety skills.

Whether its an off the shelf course adapted to meet your requirements, or a bespoke course designed to meet your specific needs, RRC can deliver it anywhere in the world in the way most effective for your business.

Our *Diploma Bite* courses even allow your staff to build up Diploma-level knowledge topic by topic so they can learn about what's relevant to their role or industry without embarking on a full Diploma programme.

## Professional Qualification Courses

- NEBOSH National General Certificate in Occupational Safety and Health
- NEBOSH National Certificate in Construction Safety and Health
- NEBOSH International General Certificate in Occupational Safety and Health
- NEBOSH Certificate in Fire Safety and Risk Management
