

## RRC's NEBOSH HSE Certificate in Process Safety Management

RRC's **NEBOSH HSE Certificate in Process Safety Management** has been jointly designed by NEBOSH and the UK enforcement agency - the Health and Safety Executive (HSE). It is designed specifically for those with safety responsibilities in the process industry, such as chemical manufacturing and oil & gas. It focuses on international standards and management systems, highlighting the importance of process safety management in the process industry, enabling students to effectively discharge workplace safety responsibilities. The **NEBOSH HSE Certificate in Process Safety Management** is suitable for those who have the responsibility for ensuring safety as part of their day-to-day duties including:

- Managers, supervisors and employee representatives within the process industry
- Newly-appointed health and safety advisers

## Course Content

RRC's NEBOSH HSE Certificate in Process Safety Management is based on International Standards and Management Systems. The course consists of one unit:

### Unit PSM1: Process Safety Management

- Process Safety Leadership
- Management of Process Risk
- Process Safety Hazard Control
- Fire Protection and Emergency Response

## Assessment

The NEBOSH HSE Certificate in Process Safety Management is assessed by a 90 minute exam consisting of 40 multiple choice questions which is completed online.

## Entry Requirements

The **NEBOSH Certificate in Process Safety Management** is a technical qualification. There are no specific entry requirements but the course does assume a certain level of knowledge.

### Health and Safety knowledge.

This course assumes a good understanding of general health and safety and it is therefore highly recommended that students hold the [NEBOSH International General Certificate](#) or equivalent before studying the NEBOSH HSE Certificate in Process Safety Management.

### Experience of the Process Industry.

Experience of the process industry (such as oil and gas or chemical processing) will be helpful.
