

## IOSH Managing Safely®

IOSH Managing Safely® provides essential knowledge and understanding of how to manage health and safety. IOSH Managing Safely® is designed for managers and supervisors across all industries and organisations, and will ensure they understand their health & safety responsibilities. It reinforces why good health & safety is essential to performing their roles successfully.

## Course Content

IOSH Managing Safely® covers the following topics:

- Introducing Managing Safely
- Assessing Risk
- Controlling Risks
- Understanding Responsibilities
- Understanding Hazards
- Investigating Incidents
- Measuring Performance

## Assessment

IOSH Managing Safely® is assessed by a 30 question mixed format exam and a short practical assessment (a workplace risk assessment) completed at the end of the course.

If you are studying online, your exam is completed online and the practical assessment completed at your workplace.
