Course Content

IOSH Managing Safely in Social Housing covers the following topics:

- Introducing Managing Safely
- Assessing Risk
- Controlling Risks
- Understanding Responsibilities
- Understanding Hazards
- Investigating Incidents
- Measuring Performance

Assessment

IOSH Managing Safely in Social Housing is assessed by a 30 question mixed format exam and a short practical assessment (a workplace risk assessment) completed at the end of the course.

If you are studying online, your exam is completed online and the practical assessment completed at your workplace.
