

NEBOSH National Construction Certificate

The **NEBOSH National Certificate in Construction Health and Safety** has been designed to provide individuals making day-to-day decisions in construction work with the knowledge they need to ensure that the health and safety implications of their decisions are properly taken into account. It is suitable for:

- Managers, supervisors and CDM co-ordinators within the construction industry.
- Those who manage contractors.
- Those who work in industries where temporary workplaces are a feature, e.g. utilities, broadcasting, etc.

The NEBOSH Construction Certificate is widely respected by employers and meets the requirements for Technician Membership of IOSH (**Tech IOSH**) and Associate Membership of IIRSM (**AIIRSM**).
