The NEBOSH National Certificate in Construction Health and Safety has been designed to provide individuals making day-to-day decisions in construction work with the knowledge they need to ensure that the health and safety implications of their decisions are properly taken into account. It is suitable for:

- Managers, supervisors and CDM co-ordinators within the construction industry.
- Those who manage contractors.
- Those who work in industries where temporary workplaces are a feature, e.g. utilities, broadcasting, etc.

The NEBOSH Construction Certificate is widely respected by employers and meets the requirements for Technician Membership of IOSH (Tech IOSH) and Associate Membership of IIRSM (AIIRSM).

Course Content

The NEBOSH National Construction Certificate is made up of three units:
